# V&S Executive Suite: the Model

*The Art of constructing a sustainable strategic vision\**: a **powerful model**, a performance driver, an **R.O.I. booster**, developed by Michael Doyle, endorsed by the Fortune 500 companies, institutions and governments who have used it.

What it's about :

- Building in only 8 stages a **sustainable strategic vision**
- A **strategy at once exhaustive, concrete** and **realistic**
- A strategic visioning model applicable to short-, medium- and long-term purposes
